III. Action Items

A. Minutes of the Finance Committee Meeting, May 24, 2019

Director Gugenheim, seconded by Director Munar, moved to accept the Minutes of the Finance Committee Meeting of May 24, 2019. THE MOTION CARRIED UNANIMOUSLY.

B. Contracts and Procurement Items (Attachment #1)

Charles Jones, Chief Procurement Officer, provided an overview of the contractual requests presented for the Committee's consideration. Dr. John Jay Shannon, Chief Executive Officer, and James Kiamos, Chief Executive Officer, CountyCare, provided additional information. The Committee reviewed and discussed the requests.

During the discussion of request numbers 9 and 11, Board Chair Hammock expressed concerns that the Board has not yet received a financial overview relating to Medicare expansion prior to these requests being presented for approval; as Medicare reimbursements are different than Medicaid reimbursements, the Board should see the financial analysis. Dr. Shannon noted that there is a time sensitivity associated with these contracts; he added that the Strategic Plan that was approved in 2016 concluded that Cook County Health needed to develop a strategy for its aging population.

III. Action Items

B. Contracts and Procurement Items (continued)

The Committee discussed whether Medicare expansion should be discussed in the Managed Care Committee, Finance Committee, or with the full Board. Dr. Shannon suggested that another option is to include it on the agenda of a Special Board Meeting for strategic planning discussions that is planned for July. He stated that he will be meeting with Board Chair Hammock later today; they can further discuss and determine the best plan for discussion of the subject.

It was determined that request numbers 9 and 11 would not be withdrawn or deferred at this time; Chair Reiter stated that the Board can revisit them later, if needed.

Chair Reiter indicated that the reason or justification for sole source methodology should be included in the transmittals presented for the Committee's consideration.

Director Munar, seconded by Director Richardson-Lowry, moved the approval of request numbers 1 through 20, subject to completion of review by Contract Compliance, where appropriate. THE MOTION CARRIED UNANIMOUSLY.

C. Any items listed under Section III

IV. Report from Chief Procurement Officer

- A. Report on Minority and Women-Owned Business Enterprise (M/WBE) Participation (Attachment #2)**
- B. 2nd Quarter FY2019 Report of Purchases made under the authority of the Chief Executive Officer (Attachment #3)**

Mr. Jones provided an overview of the two (2) reports presented for the Committee's information. The Committee reviewed and discussed the information.

C. Report of emergency purchases

There were none reported.

V. Report from the Chief Financial Officer (Attachment #4)

- **Metrics**
- **Financials: April 2019**

Mr. Akpan provided an overview of the metrics and Financials through April 2019. The Committee reviewed and discussed the information.

V. Report from the Chief Financial Officer (continued)

During the review of slide 4 of the report, the Committee discussed the different categories of operating revenue and expenses relating to Access Payments and Access Expense. Chair Reiter requested that, for the category of CountyCare Access Payments, a budget number be assigned to that with an asterisk and footnote indicating that it is not a hard budget number but a reflection, because that would give a more accurate picture of how the System is performing.

VI. Adjourn

As the agenda was exhausted, Chair Reiter declared the meeting ADJOURNED.

Respectfully submitted,
Finance Committee of the
Board of Directors of the
Cook County Health and Hospitals System
